

Rules for Mr. Schoenbrun's Math Classes

Assigned Seats

You will be assigned a seat. If you have any special requirements, please let me know.

Tardiness and Absents

You must come to class on time. The following times will be adhered to.

2nd Period 9:48, 3rd Period 10:45, 4th Period 11:33, 5th Period 1:00, 6th Period 1:48.

On time means that you are in your seat and ready for class. Otherwise you must either have a note from a teacher or staff member or a late pass. When absent, you are responsible for turning in all assigned homework in a timely manner. If you have missed important material, you should come to a tutorial to catch up.

Bathroom Use

You must use the bathroom during breaks and lunch period only.

Use of electronic equipment

Use of electronic equipment is prohibited in class. Translators are an exception for ESL students only. "Use" includes ear buds in your ear whether connected to a device or not.

Use of Calculators

Along with higher mathematics, we will practice our basic arithmetic skills in this class. Calculators should not be used at any time without prior permission.

Attention in Class

You are expected to be awake and paying attention during class. Doing work for other classes whether reading or writing is not allowed. Taking notes is encouraged.

Talking in Class

Informal talking between students once class has begun is ok only when it is about the material being taught and clearly sanctioned by the teacher.

Homework

You must turn in homework on the day it is due. Otherwise you will need to come in after school to complete it. See absents for an exception. Working together with other students, and seeking help from tutors, classmates, parents or teachers is encouraged. You are expected to turn in their own work and to understand what they have written.

Notebooks

You must have a section in a notebook specifically for your mathematics work. Please keep all homework assignments, handouts, tests, quizzes, and notes in your notebook.

I have read these rules, and I understand them.
